3. INFORMATION COLLECTED, ITS USE AND TREATMENT

- 3.1. Each party shall treat in a strictly confidential manner the information brought to its knowledge by the other party and shall only use it in the scope of the services hereby agreed upon.
- 3.2. "Confidential Information" means all information unique to one of the parties ("Revealing Party") disclosed to the other Party ("Receiving Party"), either verbally or in writing, that is indicated as confidential or that by common sense should be considered confidential in view of the nature of the information, especially in relation

to information provided by the User at the time of registration, such as, but not limited to: name, age, email, etc., which will be used for the purposes of this Policy. Privacy.

3.3. Each party agrees to protect the confidentiality of the Confidential Information of the other party, in the same way as it acts to protect the confidentiality of its own unique and confidential information of the same kind.

3.4. If it is necessary to promote substantial changes in the manner in which the personal information collected will be used, Lunes Platform will inform the new privacy conditions (i) to the general public - by means of a prominent announcement on our main page and (ii) the Registered Users - through electronic communication.

3.5. For the purposes of this Privacy Policy, the following considerations must be observed: The Lunes Platform collects personal information, capable of identifying Users, when they register on Lunes Wallet.

3.6. For each of the data collection modalities, different information may be requested, according to the purpose of the collection. Thus, Users will always be informed about the data being collected, being at their discretion to provide them or not, and, in each case, will be advised of the consequences of their decision.

3.7. All information collected from Users travels over the internet securely, using an encryption process.

3.8. The User guarantees the veracity and accuracy of the personal data that he provides in the Web Wallet, assuming the corresponding responsibility if they are not accurate. It is also the responsibility of the User to update their personal and registration data for the proper maintenance of the system.

3.9. The information will be used for the purpose of (i) providing the services to Users in the best possible way and analyzing possible new services of interest; (ii) to improve the quality of services, be it in market research, as well as to meet the users' requests; (iii) protect the interests of Users and third parties; (iv) allow the validation of the Lunes Wallet User registration; (v) effecting Cryptotube Transactions; (vi) avoid activities that are potentially prohibited, illegal or in any way in disagreement with the legislation in force in the country of the User.

3.10. Access to the information collected is restricted to employees and authorized persons for this purpose. Employees or authorized persons who misuse information, violating this Privacy Policy, will be subject to the penalties provided in our disciplinary procedure, without prejudice to other applicable legal measures.

3.11. The data and information of the User and its activities may also be shared with other companies in the event of a corporate reorganization and to comply with legal requests from regulatory agencies and / or government agencies and to instruct national or international cooperation investigative processes.

3.12. The information collected may be of different natures, with peculiarities and form of different treatments and for use of the services, validation of the registration and creation of your Web Wallet, the User must provide personal information such as: full name, date of birth, official document, among other things that may be necessary. This information is necessary to use the services, as well as to enable the contact between the Platform Lunes and the User whenever necessary.

4. TRAFFIC INFORMATION

4.1. Information may also be collected and may include, but not be limited to, the location of the user's computer or portable device, access IP and / or the machine, operating system, browser, and so on.

5. INFORMATION SECURITY

5.1. Lunes Platform is committed to treating Users' information and activities through the Web Wallet with high security standards. The Platform uses advanced security devices and only authorizes access to the users' personal information by employees who need them to fulfill their professional responsibilities.

5.2. The User is aware that it is not possible to guarantee the security and confidentiality of information transmitted through the Internet, but Lunes Platform is committed to using the best market standards to protect the data of its Users.

5.3. The Platform may contain links to third-party sites and it is not responsible for the security of User

information when it accesses third-party sites. Such sites may have their own privacy policies regarding the storage and preservation of personal information, completely unrelated to the Lunes Platform. Therefore, we recommend that users, when redirected to the external site, always consult their privacy policies before submitting their data or information.

6. AMENDMENT AND EXCLUSION OF INFORMATION

6.1. The User may review your personal information and make inconsistent and / or outdated information changes when necessary. The User may also request the deletion of his data - upon termination of the relationship between the parties. The exclusion of data will be met by the Platform Lunes within the limits and legal obligations.

7. COMMUNICATION

7.1. The contact between the Platform Lunes and the Users is usually made via email, from the validation of the registration, to information about important changes in the services and / or changes under this document. This information is generally informative in nature and in most cases Users can not opt out of receiving such communications.

8. FINAL PROVISIONS

8.1. Lunes Platform may, regardless of any notice or notification to the User, assign the rights arising from this Privacy Policy, in whole or in part, to other companies in the event of any rearrangement of the Lunes Platform at any time, provided that the legislation is observed rules and regulations applicable to this Privacy Policy.

8.2. The Platform Platform reserves the right to retain information for the period that it deems necessary for the proper fulfillment of its business and compliance with the regulations in force, even after the termination of the Users account.

8.3. The tolerance of one party with another for noncompliance with any of the obligations assumed in this Privacy Policy shall not entail any novation or waiver of rights. The tolerant party may, at any time, demand from the other party the faithful and complete fulfillment of this Privacy Policy.

8.4. THIS PRIVACY POLICY BINDS THE PARTIES AND THEIR SUCCESSORS IN ANY CAPACITY

8.5. The impossibility of enforcing or invalidating, even if by virtue of a judicial decision, a clause, will not affect the validity of the other clauses of this Privacy Policy, which will remain valid and executable under its terms.

8.6. Lunes Platform reserves the right to modify this privacy policy at any time, and the User is informed of such changes by accepting the new provisions.

8.7. The parties elect the forum of the county of the city of Cajamar / SP, to resolve any controversy arising from this Privacy Policy, expressly renouncing any other, however privileged it may be.
